June 12, 2018

The meeting was called to order by President Otis Smith at 6 pm. There were 6 Board Members, 7 Directors and 6 members present. President Otis Smith asked for all to read the May meeting minutes for corrections. There was one - 2nd line correction. New Business – President Otis Smith said that he, Vice President Mike Cannella, Directors Dean Blackwell and Milt Allen along with member Robert Hardesty built benches for the campfire ring in the RV camping section. They did a great job – thanks to all. Youth Director Tiger McNeil mowed the camping area. Looks great Director Jim Kindt talked about cameras to be put at the gate. The gate was opened by someone and left open. President Otis Smith asked Vice President Mike Cannella to put locks on all the compartment doors at the gate so that no one can lock the gate open. The discussion about cameras was productive- with game cameras being the most useful for the Complex. Director Jim Kindt will look into pricing of two game cameras. The Complex does not have full time internet and it would be too expensive to bring it in. Secretary Katie Brass announced that in one year when the elections for Board Members and Directors that she would not be rerunning for Secretary.

Old Business – President Otis Smith said that he and Director Dean Blackwell sprayed for weeds over the entire complex. Youth Director Tiger McNeil said that he had approximately 90 youth shooters for his SCTP shoot this weekend. The Senior Shoot went well- The teams were from 5 colleges – teams that shot their senior year together. All had a good time.
