

Cody Shooting Complex  
General Membership/Directors Meeting  
October 2020

The October Meeting was called to order at 6pm. There were 13 Officers and Directors present. The September Meeting minutes were read and a motion to approve was made by Dean Blackwell and seconded by Pete Kneip. All approved.

President Otis Smith reported that the organizer of the Magpul match has reneged on the balance due the club. He has apparently claimed that he is bankrupt and has been having financial difficulties the last three years. The amount due the club is \$7500.00. There was discussion of placing a lien against him in Nevada where he is located. Unfortunately, the contract with the club was with his LLC and it was decided that it would be foolish to spend the money to pursue this. It was suggested to approach the sponsors, not to recover money, but to make them aware of his dishonesty and deceit. The Governor's office has been made aware of this situation and they expressed surprise that this occurred. They will try and help us if possible to recover some the monies due us. Numerous suggestions were brought forward to prevent this type of situation from occurring in the future.

Josiah and Stephanie Bullock have been working diligently with a couple of projects. Stephanie has been pursuing a grant by way of Pittman Roberts money that goes through the state for outdoor shooting activities. Josiah has upgraded our computer network at the club to allow for remote access for the membership director. Except for hardware, their efforts have been offered to the club at no cost. An extended family membership was voted on by the directors for all their work.

Otis brought up his desire to epoxy surfaces in the rifle clubhouse. Pete didn't feel the need was there to spend the money. He explained that the clubhouse is cleaned after he holds an event.

There being no further business, the meeting was adjourned at 6:30pm.
