

CODY SHOOTING COMPLEX  
GENERAL MEMBERSHIP MEETING  
MARCH 10, 2020

President Otis Smith called the meeting to order at 6 pm. All Officers were present as well as nine Directors. There were five Members at Large in attendance. The February Minutes were read. There being no corrections, a motion to approve was made by Dean Blackwell and seconded by Milt Allen. All voted in favor to accept the minutes.

Old/New Business: The club thanked Dean Blackwell and Tiger McNeil for installing missing/damaged trap field lights. There are plans to have night shoots in the future. The club thanked Josiah Bullock for all his great work in getting the online membership program up and running. The club will now be able to accept membership renewals and new memberships online utilizing credit cards. Thanks, were extended to Bob Posner for his work in getting the Special Use Permit Application completed and turned into the county Planning & Zoning Department. The ATM machine has been installed and is up and running.

The President opened a discussion regarding the rifle range building. Would like those that use this building to clean it and expressed a desire to have the floor epoxied along with the tabletops. It appears there may be too many keys to this building "floating" around. The locks will likely be changed. Stephanie Bullock is going to work on applying for an NRA Grant. Tiger McNeil reported that the indoor range is being utilized by the kids on Monday evenings. He had 15 kids along with a few new shooters to the program. He also expressed a desire to see the club begin working on setting up a long-term plan for any future development to the facility. Jim Kindt is looking into a remote weather station that could be tied to a phone app.. This would allow shooters to check on weather/wind conditions before travelling out to the range. He will report back at a future meeting.

There being no further business, a motion to adjourn was made by Tiger McNeil and seconded by Milt Allen. All voted in favor. Meeting adjourned at 6:17pm.

Otis Smith, President

Bob Posner, Secretary
