

Cody Shooting Complex
General Membership Meeting
July 2020

The meeting was called to order at 6:00 pm. The June meeting minutes were read and there being no corrections, they were approved by a unanimous vote.

A discussion began of the need for additional funding to operate the complex. The Park County Commissioners voted recently to deny the annual grant to the complex. Various issues were raised regarding sources of money. While membership dues help with operating expenses, there is not enough left over for additional projects. Mike Schnell felt we were too cheap when it came to membership dues. Other directors did not feel it was prudent or wise to keep raising dues. It was also brought up that we no longer have generous benefactors that we once had. An email mailing was going to be sent to the membership requesting ideas for bringing in new revenue sources.

Otis sprayed weeds for the upcoming Magpul shoot. There will be approximately 200 shooters. No food will be provided by the club. The Governor's office has given permission that independent food trucks can set up. Due to the Covid issues, health requirements will be enforced.

Tiger had a successful Scholastic shoot. There were 91 shooters and the event went off without a hitch.

Katie requested a vote to approve a \$1.00 handling fee for internet membership requests. This will defray the cost of mailing gate cards. All voted in favor.

A motion to adjourn was made by Mike Schnell and seconded by Ugo Carrafa. All voted in favor.
