Meeting Minutes

The meeting was called to order at 17:55 by President Otis Smith. A motion was made by Director Dean Blackwell and seconded by Director Brent Marchant.

OLD BUSINESS

Dirt work for the new ranges is mostly done, but still needs to be built and graded some more. The range still needs to figure out where to put the 100 and 200 yard backstops.

The electronic liftgate was fixed by Director Josiah Bullock.

The source of the water leak was determined to the toilet at the rifle range, which has been replaced and pressured tested. There is still a slight water leak and plumbers are coming out ASAP as weather permits to replace a dripping valve.

Director Tiger McNeil said the range needs new rain gutters at the rifle range and the loose metal may be unsafe for members.

Mike Brodner gave the treasurer's report and shared about the new way to see the venue reports. If anyone has any questions, please see Mike.

Director Josiah Bullock described the recent financial audit and made a motion to accept that audit as the yearly audit. Seconded by Mike Schnell – all in favor.

NEW BUSINESS

As there was no further business, there was a motion to adjourn by Director Dean Blackwell and seconded by Director Josiah Bullock. The meeting adjourned at 18:20.

Respectfully Submitted,

Otis Smith
