

## Cody Shooting Complex

June 14, 2022

### Meeting Minutes

President Otis Smith called the meeting to order at 6 pm. After reviewing the minutes, a motion was made by Treasurer Dean Blackwell and seconded by Director Wes Hanson. Motion carried unanimously.

An update on the fencing was given by President Otis Smith saying that the fence should be completed soon, hopefully before the next meeting.

After discussion, the board came to a unanimous decision that they felt the complex did not need to limit the number of shoots held there in a year, however, more discussion about this will be held at a later meeting.

Membership coordinator Katie Brass brought up that Treasurer Dean Blackwell needed a club credit card. Treasurer Dean Blackwell stated that he would prefer to keep the credit card we are using, rather than switch to a debit card. It was also discussed that the daily spending limit on the card be raised to \$2,000 instead of the current \$500. Director Mike Schnell made a motion to approve the raising of the spending limit as well as the additional card, Director Dave Hinzpeter seconded. Motion carried unanimously.

Director Brent Merchant volunteered to handle the concrete work for the new 200 yard range.

Director Mike Schnell as well as president Otis Smith expressed their concerns about the shoot that was held the first week in June. One of these concerns was that empty brass was not cleaned up properly; President Otis Smith will be discussing this with shoot management.

Membership coordinator Katie Brass said that for smaller events happening at the club, they will be given a temporary gate access code, however larger shoots will have the gate left open for them. The board all agreed that this is an adequate plan.

Director Josiah Bullock is going to change the wifi password after a discussion about the slow internet access at the range. If this does not fix the issue, then more discussion will be held at the next meeting.

Director Ugo Carrafa made a motion to dismiss, and Vice President Milt Allen seconded. Motion carried unanimously. Meeting dismissed at 6:42 pm.
