

Cody Shooting Complex

November 9, 2021

Meeting Minutes

The meeting was called to order at 18:00 by President Otis Smith. A motion was made by Director Pete Kneip and seconded by Director Jim Kent to approve the October minutes.

OLD BUSINESS

The signage of fencing of the newly acquired land is done. Thanks to Directors Milt Allen, Dean Blackwell, Ugo Carrafa, and Chief Range Officer Rich Redovian. A 3-day shoot for 3 gun is now on the calendar, run by Pete Rensing in place of the governor's shoot.

The recent lead mining yielded \$13, 288.13 for the gun range. A motion was brought by Katie Brass that these funds be earmarked for Range Improvement and special funding for the 200yd rifle range; and/or 20, 30, 40, and 50 yd archery range with targets on skids upon total board approval. Director Milt Allen seconded, and the motion carried.

Youth Director Tiger McNeil announced that there is a water leak between the outside spigots and men's bathroom at the rifle range. He is working to find the leak and repair it.

President Otis Smith received a call from Commissioner Lee Livingston. There were accusations against Cody Shooting Complex about closed bike trails due to the new fencing. President Otis Smith gave a commissioner a complete tour of facility and property line. There were no apparent blocks to any known bike trails on the surrounding land. President Otis Smith will present to county commissioners to propose not to put in a gate on the fence line of the Cody Shooting Complex for safety reasons.

Youth Kassi Hanson drew for the Raven R26 Crossbow Package. Cindy Perkins is the winner. Thanks to Raven and Best of the West for the generous package donation. A motion was made by Director Josiah Bullock to earmark the proceeds for range improvements. The motion carried.

NEW BUSINESS

Per a recent incident, a new policy was discussed to dissuade current members from giving their gate card to a non-member to use. After a lengthy discussion, a motion was made by Director Josiah Bullock that upon discovery of a violation of this policy, the offending person's card will be seized in the moment and that person is welcome to attend the next board meeting to present their case. If that person refuses or does not attend the next meeting, they forfeit their current membership. The motion was seconded by Director Milt Allen.

Due to recent events on clays on skeet field diminishing the machines, but no cash left behind, locks have been changed on all the machines – per President Otis Smith.

As there was no further business, there was a motion to adjourn by Director Dean Blackwell and seconded by Director Pete: Kneip. The meeting adjourned at 18:30.

Respectfully Submitted,

Otis Smith
